Effective Strategies to Achieve Your Goal

When asked what their “secret to success” is in achieving their Catholic Charity Appeal goal, our pastors responded:

Father Henry P. Zinno states, “The pastor supports the drive enthusiastically.”

Father Marek S. Kupka states, “I find that it is very important to stay in touch with the donors not only during the time of the Appeal but throughout the entire year. I strongly believe that their continued relationship with the parish is a foundation of their generosity.”

We would like to hear from you. If you have any comments or suggestions for future editions of *The Loop Newsletter*, please call our office or e-mail us at providencediocese.org.
